Hi Hunter,

Please see recommended edits in the attached file. Based on a question from Joan Underwood that we helped Madi answer yesterday it may be helpful to include the food web model details for future reference.

I also updated the figures.

Thanks,
Wardah

Subject: HXCDF Eval Memo

Wardah,

Could you do a review of this HXCDF Memo when you get the chance? I think we may want to edit the figures (at least to change the figure numbers). Let me know when you are done with your review and we can chat. No rush on this.
